

NO MATTER YOUR BUSINESS,
SCHOLD CAN CREATE THE
CUSTOM EQUIPMENT SOLUTION
TO FIT YOUR APPLICATION
PRODUCTION NEEDS.

Mix, blend, grind, contain and transfer your product with the wide variety of Schold manufactured dispersers, blades, mills press-outs and tanks.

We offer a standard line of dispersion equipment to handle most all chemical applications including paints, inks, epoxies and glues. Additionally, we aid in the processing of minerals and powder materials in the pharmaceutical and cosmetic industries.

All our equipment offerings can be finished out to your requirements, allowing for both chemical, as well as food-grade standards in your production line. Contact us today to get started on your custom application design.

WHY CHOOSE SCHOLD

A trusted name since 1949, **Schold** has made breakthroughs and improvements, but one thing has held true—we have continually remained a **client-centric solutions provider**. While we offer a variety of standardized machinery models, we will also work with

you to design, fabricate and install entirely **customized solutions** based on your application needs. Beyond installation, it is our commitment to provide unparalleled customer service. You can count on **Schold** for more than just reliable equipment, you can count on us to be a **trusted partner to your business**.
