

LET SCHOLD BE
YOUR PARTNER FOR
SINGLE STATION &
COMPLETE SYSTEMS
CONTROLS &
AUTOMATION.

Our individual equipment control packages typically include an operator station and separate motor control enclosure. Additional customization is available to integrate with your plant supervisory system. For complete facility packages, Schold will work with you to design, build, install and service your entire control system.

WHY CHOOSE SCHOLD

A trusted name since 1949, **Schold** has made breakthroughs and improvements, but one thing has held true—we have continually remained a **client-centric solutions provider**. While we offer a variety of standardized machinery models, we will also work with you to design, fabricate and install entirely **customized solutions** based on your application needs. Beyond installation, it is our commitment to provide unparalleled customer service. You can count on **Schold** for more than just reliable equipment, you can count on us to be a **trusted partner to your business**.

**BETTER
DISPERSIONS.**
