

CONTROLE CONTINU Company Training

In your groups you will be required to prepare an “interactive instructor-led company training” to be tried on the class during our final lesson together: **February 21st 2020**

Your group will be assigned one of the following subjects:

- Assertive Leadership skills
- Team building
- Time management
- Stress management
- Project Management
- Adaptability
- Communication skills
- Conflict resolution
- Emotional intelligence

Each group will have **25 minutes** with the class and your training should include:

- **Introduction** to the subject
 - **Demonstration** of techniques/skills/scenarios
 - **Practical training exercise**
 - **Interactive evaluation** - multiple choice with answers ex. **Kahoot!**
-
- You must also prepare a **Written Training Guide** (for students)
 - You must also prepare a **Written Lesson Plan** (for teachers)

You will be evaluated:

- Individually (oral)
- Group (written training guide + evaluation)
