“ ***I absolutely Love the fact that now I am able to smoke once again almost anywhere anytime!***

*I am much more aware of how it affects other people especially my family & their health. I have to be honest though I did start with the V2 ECig's not with intention of quitting smoking but to have the right to smoke whenever I choose.*

*I am very thankful to V2 Cigs and have also passed on this great opportunity to others that would never have thought of using ECigarettes ever if they had not tried mine first!*

*I got them as a gift from my daughter on Mother's Day in 2012.  
I had tried other e-cig's, but none had given me satisfaction.*

*The staff is TREMENDOUSLY courteous,  
helpful and professional in answering  
question's and placing orders.*

*I am in LOVE with the new chocolate flavor,  
it actually satisfies my sweet tooth !!!  
Thank-You all for your wonderful product.*

**“ I absolutely love V2 Cigs!**

*I love the Sahara flavor!*

*This flavor is almost identical to the camel cigarettes that i USED to smoke. V2 Cig smoke is differs from all other brands, because their smoke is much thicker and more flavorful then their competitors.*

*I would highly recommend anyone who is trying to quit smoking to give the V2 cigs a try. 2 thumbs up! Keep doing what you're doing V2 Cigs.*
