

Dear Parent,

We would like to include you and your family in a dynamic virtual event we are participating in this week!

Here is a link, axisplus.org/parents/spendyourself, to the video Spend Yourself that we utilized in chapel this week and which has been central to the discussions facilitated in classrooms as well. We want to include you in the conversation as we discuss the idea of 'spending ourselves' for the sake of the Gospel and how this can impact our lives.

We encourage you to take advantage of this material and view it with your family and then take some time after the video to discuss the questions from the Conversation Guide.

Enjoy the presentation and discussion with your family! We hope it will be an enjoyable and useful tool for you.

Blessings,
Your Favorite Administrator!

Ps. Here's the link one more time: axisplus.org/parents/spendyourself
