

WEEK OF _____

Weekly ELT Sign Up

Students, it is your responsibility to alert me that you would like to come in during ELT. I look at this sheet every afternoon to decide who to request. **Note: I log students attendance during ELT, as well as the type of work they are doing during ELT, and take this into consideration at the end of the quarter. Voluntary ELT attendance shows an interest in learning and a desire to improve. ELT attendance can raise your grade at the end of the quarter a half a letter grade.**

Example: An A- to an A or a D- to a D.
